

WILLY SLING DINING CHAIR

We're here to change up the chair situation. For a modern, relaxed feel, I'm your guy. My gorgeous hand stitched A-grade leather edges showcased against my solid powder coated steel legs adds sophistication to the traditional chair. I'm also stronger than I look and will be sure to keep you comfortable for a long while.

Materials & Maintenance

At REDDIE we only use the most premium materials that are ethically and sustainability sourced, such as FSC certified timber from plantation forests. Please read more about our materials and maintenance at REDDIE MATERIALS.

Warranty

We offer a three year structural warranty on all of our products. Please read our TERMS AND CONDITIONS.

Lead Time

We have select pieces in stock and most of our furniture pieces are made to order. We do not believe in fast furniture and mass production due to its damaging impact on our environment. Once you place your order the items will take 6-12 weeks to deliver.

Product Refresh & End Life

At REDDIE we are conscious about having little impact on our environment. Over time if you want to refresh your product we can provide recommendations for affordable restorers. With product end life we can suggest services that will 100% recycle the product.
